SUMMARY

Detail-oriented BYU Pre-Business student experienced in structured reasoning, precise communication, and instruction-following across service, immersive language use, and structured startup work. Comfortable working independently in ambiguous environments requiring careful evaluation and judgment.

EDUCATION

Brigham Young University — Provo, UT
Pre-Business • Expected Graduation: December 2028

EXPERIENCE

Strawb (Co-Founder) | Jan 2026 – Present

- Developed startup concept from initial idea through structured business planning
- Conducted customer interviews to test assumptions and refine direction
- Built and iterated full business plan based on qualitative feedback and research
- Presented at SEOY Business Showcase at BYU
- Strengthened structured thinking, ambiguity navigation, and iterative problem-solving

Full-Time Missionary Service | Jun 2024 – Dec 2025

- Communicated complex ideas clearly across diverse contexts
- Learned Spanish from zero and used it for 18 months of full-time communication
- Taught and resolved questions in Spanish in instructional settings
- Operated in highly structured environment requiring strict adherence to instructions
- Developed discipline, attention to detail, consistency, and adaptability

Server — Sushihana | Jan 2021 – Jan 2023

- Provided fast-paced customer service in high-volume restaurant environment
 - Managed multiple tables and responsibilities under time pressure
 - Maintained accuracy, efficiency, and professionalism
 - Strengthened teamwork, communication, and detail-oriented execution
-
